Boston Suite

We would be delighted to host your wedding ceremony. The White Hart Hotel's Boston Suite is fully licensed to hold both civil partnerships and civil wedding ceremonies.

Our civil ceremonies license enables you to hold your entire celebration in one location, with guests also free to use our courtyard bar and outside terrace to relax during the day.

The Boston Suite has high ceilings and is flooded with natural daylight from large windows which offer views of the town, the river Witham and the stunning 600 year old 'Boston Stump' Church. Should you wish to have a formal sit-down meal we can accommodate up to 80 guests and 120 guests for an evening reception.

For a more intimate celebration we can offer the glass room for private dining, or the ground floor riverside restaurant
